

ELECTRIC FIRES

Inset 16" Electric Fires with 4D Ecoflame™ Technology

Charlton & Jenrick^{LTD}

Best of British fires, fireplaces & stoves

Inset 16" Electric Fires with 4D Ecoflame™ Technology

Building on the overwhelming success of the 3D Ecoflame electric fire we are pleased to offer the next generation in electric fires. All models benefit from the ultra-realistic deep reflective fuel and flame effect that has set new standards across the industry. The new range also boasts flickering ember effect fuel bed, 7 day timer and optional trim and fireplace mood lights to name but just a few superb innovations.

4D Ecoflame™ in Burcombe surround with Black Cast Arch Fascia and Coal fuel bed

4D Ecoflame™ with Chrome Elite Fascia, Log fuel bed and red trim lights

4D Ecoflame™ with Chrome Elite Fascia, Ice Crystal fuel bed and blue trim lights

4D Ecoflame™ with Brass Elite Fascia and Coal fuel bed

Key Features of the 4D Ecoflame™

- Exciting ultra-realistic flame effect with 3 colour options each available in 4 mood settings. The mood setting offers 4 differing levels of brightness and size of flames.
- Realistic flickering fuel bed with 13 colour options and a colour morphing setting, each available in 4 mood settings.
- Multiple fuel bed options including realistic log, coal, Ice crystals small and large and glowing embers. All are included with the fire for the user to decide.
- Highly efficient heat control via a 7 day programmable timer and an electric thermostat all incorporated into the stylish remote-control handset.
- High level side buttons for easy access and alternative control of flame effect and the fuel bed.
- Two generous heat settings which are chosen automatically by the controls to meet and maintain your chosen room temperature.
- 1.5kW max heat output (100% efficient at point of use).
- Fits most Charlton & Jenrick Frets and Fascia's with many fire and fascia packages available.
- Fits most 16" Fireplace openings.
- Fully EU Ecodesign compliant.

Trim Lights

- All Charlton & Jenrick Elite Trims and Fascias now come with the option of patented LED trim lights that are controlled by the fires remote control.
- There are 13 colour options and a colour morphing setting, each available in 4 mood settings.
